FOREWORD

Our children and young people are faced daily with enormous temptation to get involved in sexual activities even before they know what it is.

Equipping them EARLY with age-appropriate, culturally relevant, scientifically accurate and spiritually edifying Sex Education (**Wholesome Sex Education**);

- *helps to empower them to take responsibility for their own health,*
- *prevents them from being victims to Sexual predators and*
- *helps them escape the consequences of premature sexual activities such as sexually transmitted infections, including HIV/AIDS, teenage pregnancy, teenage parenthood, abortion and its complications, genital cancers, and death.*

The Scripture instructed that parents should TRAIN their children in the way they SHOULD go and when the children grow up, the instructions will not depart from them. Proverbs 22:6

However, it has been noted, sadly, that most parents, teachers and advocates do not really know the ‘THE WAY THESE CHILDREN SHOULD GO’ let alone training them in the same.

Some others who know what to do miss the correct approach and timing.

We have two choices; to fold our arms and watch things run its degenerating course or get involved to change the tide.

Wholesome Sex Education for Children and Adolescents Training is our response to this very important and difficult to ignore issue.

A little CONSISTENT drop can make an ocean. It is better to do something that will positively impact than do nothing at all.

It is this passion that gave birth to the mandate to start involving and collaborating with parents, teachers and advocates by training them on how to teach Wholesome Sex Education.

We have taken it upon ourselves to provide the missing link and bridge the gap; to raise sexually informed children and Adolescents who will be able to take responsibility for their sexual health and identify a sexual predator, including paedophiles, and quickly expose them before they cause havoc.

We have taught the content of this manual to thousands of people in various places and virtually.

This content is also available on our e-learning portal where you will be able to get certified after completing the course.

All these you get for FREE. This is to allow everyone full access without any form of limitation.

Promoters of sexually immoral contents make it available for FREE, we feel we cannot do less. We rather need to come together to saturate the world space, including the internet, with sexually pure contents.

This is what we have brought to the table at CASRHA Foundation.

Our goal is that No Child or Young Person who Crosses our Path will Fall Victim to Sexual Immoralities.

If we can equip them to win the battle of sex, we would have helped them to win the battle of life.

We also accept invitations to teach in religious organizations, campuses, and in stakeholders' gatherings. You can reach out to us using this link, <https://wa.me/2348150989646>, or send me an email, dr.bjseyi@casrhafoundation.org

Overview of the Wholesome Sex Education Training

You are welcome!

Main Training Objective:

At the end of this course, you would have learnt in practical terms *“How to teach age-appropriate, culturally relevant, scientifically accurate and spiritually edifying sex education”*.

Course Overview:

The certificate course is made up of six (6) Modules.

Module 1 is introductory as it unveils some scientific facts regarding the burden of sexually transmitted infections, adolescent pregnancy and abortion, etcetera.

Module 2 explores the content of comprehensive sex education (CSE) and brings to fore the advantage of Wholesome Sex Education over the CSE.

Module 3 is set to equip the learner with requisite elements needed to effectively and efficiently teach Wholesome Sex Education.

Module 4 deals with the right approach to age – and gender – appropriate sex education, including sex education for vulnerable children and adolescents.

Module 5 exposes the problems and challenges with puberty and teaches how you can help adolescents navigate this beautiful period of their lives without injuries; it also addresses the problem of pornography, masturbation and feelings of guilt.

Module 6 is the concluding session that summarises the content of the training with passionate appeal to the trained participants to get on the field with SMART goals despite any limitation.

Module 2

Comprehensive Sex Education Versus Wholesome Sex Education

This document contains the second of the six (6) modules.

At the end of this module, you should be able to

- *Distinguish between comprehensive sex education (CSE) and wholesome sex education*
- *Establish that sex education is not enough and embrace the importance of wholesome sex education (sexual purity education)*
- *Know how to teach the benefits and possibilities of a sexually pure life*
- *Help children and adolescent understand what sexual purity is and how to obtain it from God*
- *Experience a sexually pure life yourself*

Comprehensive Sex Education versus Wholesome Sex Education

2.1. What is Comprehensive Sex Education?

This includes instructions on issues relating to human sexuality such as body sexual makeup (anatomy – a male or a female), sexual activity, sexual reproduction, sexual health, safe sex, and birth control.

In clearer terms, it means:

- *To instruct children and young adults to delay sexual practices until appropriate time – that is, marriage;*
- *To provide children and young people with the knowledge and skills needed to promote their sexual health and well-being as they mature into sexually healthy adults;*
- *To provide accurate information about human sexuality – without adding lies or myths, creating fear or tension;*
- *To provide an opportunity for young people to develop and understand their values, attitudes, and insights about sexuality;*
- *To help young people develop relationships and interpersonal skills;*
- *To help young people exercise responsibility regarding sexual relationships, including addressing abstinence and the pressures to become prematurely involved in sexual intercourse.*

2.2. Why is Comprehensive Sex Education Not Enough?

- Looking at everything that needed to be talked about during sex education, it is obvious that **“Unless the Lord builds the house, the builders labour in vain. Unless the LORD watches over the city, the guards stand watch in vain”**. Psalms 127:1
- External instruction without internal transformation will confuse and frustrate the child you are teaching sex education.
- It will also frustrate you because you will assume these children are intentionally rebellious, whereas it is impossible for a mind that has not been transformed to do the right thing.
- Their body’s sense organs (eyes, skin, tongue, ears) are being bombarded with sexual sights, sounds and touches every now and then; their transformed spirit must from the inside put the desires of their outside body under control.
- This is why sexual purity is a necessity.
- The moment you can make a child understand what sexual purity is and how to live a sexually pure life, you can go to sleep with assurance that all is well with the child.

To unmask the limitations of comprehensive sex education, let’s talk about the ABC Advocacy Model for the prevention of sexually transmitted infections.

‘A’ is Abstinence. This teaches that people should abstain from sexual intercourse, but the question is **‘How effective is abstinence WITHOUT THE GRACE OF GOD?’**

- This is why we must go beyond telling them to abstain but rather teach sexual purity (Wholesome Sex Education). Sexual purity comes with the inner power to obey external instructions.

‘B’ is Being faithful to one partner. This teaches that if you must have sexual intercourse at all, do it with one partner who does not have multiple sexual partners.

- The same problem arises here; **how easy is this without the fear of God?** Or how on earth can one be sure that the partner they plan to have sexual activities with does not have another partner somewhere?

- **The third is ‘C’ – Condom use.** Young people are being told to use condom if they cannot abstain or if they want to have sexual intercourse with multiple partners.

- Does condom prevent the soul attachment that takes place after the intercourse? Research has shown that most people almost always remember the first person who had sex with them.

- In addition to this, how about the guilt and condemnation that follows sexually immoral acts? Does condom prevent these guilt and condemnation?

- You can see that, increasingly, comprehensive sex education is shifting ground from encouraging young people to live responsibly

to a kind of freelancing that rather enslaves them to their emotions and depleting their power of self-discipline.

- This is why we need to teach sexual purity (Wholesome Sex Education).

- With the understanding of sexual purity, and possession of a sexually pure heart, it becomes easy for anyone to avoid all the problems we talked about from the WHO Factsheet in Module 1.

- By learning and teaching sexual purity, we are filling our quivers with arrows that have potency to change the narratives.

- We can reverse the statistics.

- This is the reason for this training.

*- To stand up in your class, in your school, campus, church, business place, office, neighbourhoods, among colleagues, etcetera and say, **“As long as I am here, I am the light here”**.*

- After this training, people should see and know you as a Sexual Purity Crusader.

2.3. What is Sexual Purity?

- *It is very important we know what sexual purity is, so that we can have confidence that we are teaching the right thing.*
- *Sexual purity is a state of being pure. Yes!*
- *Sexual purity is not different from the purity and holiness that is taught in scripture. The same principle applies.*
- *We have added ‘sexual’ as a qualifier because of the many problems that is attached to sexual activities.*
- *The Scripture also highlighted this in 1Corinthians 6:18,*
“Flee from sexual immorality. ‘ALL’ other sins a person commits are outside the body, but whoever sins sexually, sins against their own body”.
- *We can infer something from the verse; it means there are only two sins in the world; ‘sexual sins’ and ‘all other sins.’*
- *No other sin has as many consequences like the sin of sexual immoralities.*
- *So, while teaching purity, we incorporate sex education.*
- ***Sexual purity is purity plus sex education.***
- *We must teach Sexual purity because all the advice we give during sex education are difficult and very impossible to follow without sexual purity.*

- When you say someone should not commit fornication, it's only easier said than done. It requires grace, an inner strength, not just muscles.
- When you say someone should not look at girls when they are shaking their body contours and exposing their private sexual parts, it's only easier said than done.
- There must be something from within that will guide such person to listen to and obey what you're saying.
- This is where sexual purity comes in. Now, let's discuss it.
- **Purity is TOTAL freedom from sin.**
- **Sexual purity is TOTAL freedom from sexual sins.**
- SEXUAL PURITY IS SIMPLY A SUBSET OF PURITY. Hope this is clear. When you are pure, it affects your sexuality also.
- This understanding **MUST** be clear in the mind of every sexual purity crusader.
- **Sexual purity is a state of freedom from 'porne'iae'**
- **'Porne'iae' is a Greek word that means 'fornication or adultery' and it is defined as any form of activity that has the potential of leading to sexual activity, such as romantic kissing, hugging, smooching, caressing, fondling, fingerings, lustful thoughts, dwelling on sexual fantasies, watching of pornography, masturbation, penetrative sexual intercourse, etcetera.**

- These are a form of foreplay that often precedes or leads on to penetrative intercourse.
- So, freedom from porne'iae is what is called sexual purity.
- This must be clear to you when they ask you to know if romantic kissing is a sin or not.
- Looking at the definition of porne'iae, do you agree that **it is practically impossible to be sexually pure without a supernatural intervention?**
- As sexual purity crusaders, we must understand that it is impossible for our children or students to obey what we are telling them about sexual purity if they have not experienced the supernatural.
- It is not totally their fault that the girls cannot resist a man when they come with sexual advances or sweet compliments.
- It is not totally their fault when they run after anything in skirts, it is because they have not experienced what it is to lead a sexually pure life.
- This should humble us and make us overlook their external visible actions but rather reach out to their internal invisible soul because that is where the matter is.

2.4. Benefits of Sexual Purity

- Teach them about the benefits of living a sexually pure life.

When they are sexually pure;

- **One**, they will enjoy a life of continuous uninterrupted fellowship with God through the Holy Spirit.
- The Spirit of God dwells in clean hearts. Every holy Christian will enjoy fellowship with the Holy Spirit.
- When they are holy, 2 Corinthians 13:14 says that *"the grace of our Lord Jesus Christ, the love of God and the FELLOWSHIP OF THE HOLY SPIRIT"* will be with them.
- Tell them that if they want a fellowship with the HOLY Spirit, they should be pure!
- **Two**, they will enjoy a life free from guilt and condemnation.
- Romans 8:1 says that *"There's therefore now no condemnation to those who are in Christ Jesus, those who do not walk according to the flesh but according to the Spirit"*.
- Guilt and condemnation are major hindrances to spiritual growth and development.
- However, a life of purity will spare them the burden of a life of guilt and condemnation.

- **Three**, they will experience an uninterrupted spiritual growth.

- 2 Peter 3:18 says *"But grow in grace and in the knowledge of our Lord and Saviour Jesus Christ..."*

- Growth in their Christian life is not possible without a life of purity; they will only be struggling.

- Many of these children and adolescents are having very hard times with sexual sins, the solution is a life of purity and we should help them to understand this!

Four, they will have boldness before God.

- Boldness before God comes with a conscience that is free of guilt and condemnation.

- When they are pure in hearts, they will be free from condemnation.

- 1John 3:21 says that *"If our hearts do not condemn us, then we will have boldness towards God"*.

- They will be able to relate with God freely without fear of being condemned or judged because they have nothing to hide.

- Transparency of life gives us boldness to approach God anytime, anywhere!

- **Five**, they will enjoy the privilege of answered prayers.

- 1John 3:22 says that *"Whatsoever we ask, we receive from God because we practice those things that are pleasing in His sight"*.
- Nothing hinders the prayer of a holy Christian.
- Purity of life will free them from prayers without answers.
- **Six**, purity of life will make them truly attractive and influential.
- It is wonderful to 'preach' the gospel but very much more important to 'live' the gospel.
- Preaching of the gospel PLUS a beautiful holy life will make them very impactful.
- Their life will be an encouragement to many; people will want to become Christians just because of their lives.
- Their lives will serve as testimonies that the grace and power of God can deliver from sin.
- **Seven**, they will see God.
- Matthew 5:8 says, *"Blessed are the pure in heart because they will see God"*.
- Seeing God is not only when they get to heaven; when they live a pure life, they will see God every day of their lives.
- God says in Isaiah 57:15 that He dwells in the Holy place.
- God will be so near to them! They will enjoy a life of peace that only God can give!
- *You can prayerfully think of more benefits and teach them.*

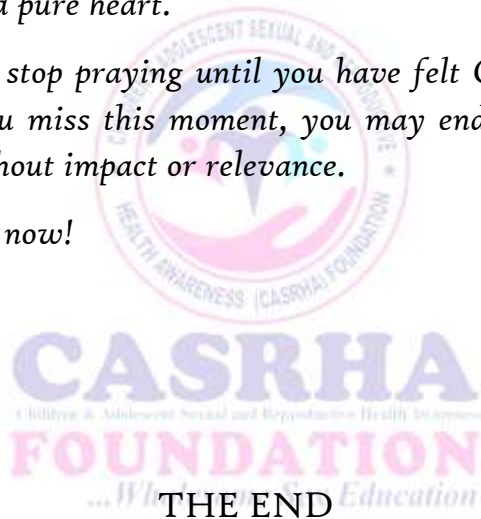

2.5. The Possibility of a Sexually Pure Life

- Next, you will need to teach them about the possibility of a sexually pure life.
- In 1Peter 1:15-16, God was quoted saying, ***“Be ye holy because I am holy”***.
- This is a command, NOT just one of those good counsels. If it is not possible, God will not command us to do it.
- So, every sexual purity crusader **MUST** believe that it is possible to be **TOTALLY** free from sin. If you don't believe it is possible, you will not be able to help anyone achieve it.
- Secondly, You **MUST** let them know that a sexually pure life is **NOT ATTAINABLE**.
- No matter the rules, principles or boundaries, it will not work. Let them know this because the Bible says that ***“... by strength shall no man prevail”***. 1Samuel 2:9
- Thirdly, teach them that a sexually pure life is **OBTAINABLE**.
- Remind them or teach them about God's promises in Ezekiel 36:25 that says, ***“I will sprinkle clean water on you, and you will be clean; I will cleanse you from all your impurities.”***
- A beautiful verse in 1Thessalonians 5:23 says, ***“The God of peace will sanctify you (make you pure) totally (spirit, soul and body) ...”***

- It is God who will do the work of heart purity in their lives, and it will be A TOTAL ONE; it will affect their spirit, soul and body. It will be an overhaul of their entire person.
- You need to cheer them up with these beautiful promises.
- Let them know that they CANNOT GROW INTO holiness or purity of heart through their own efforts; they have to first OBTAIN it from God, then they can begin to GROW IN holiness as they learn more from the Scriptures and from other Christians around them.
- The rules, principles, disciplines and setting of boundaries will now work for them once they have obtained a pure heart from God.
- Finally, your goal is to get them to the point of willingness and readiness to obtain this pure heart from God. Lead them in simple prayer of faith to God for a pure heart.
- Remember that **an impure heart cannot obey laws. Before you start dishing out instructions to them, first lead them to the point where they obtain a pure heart from the Lord.**
- Remind them of Isaiah 1:19 that says, “If you are willing and obedient, you will eat the good things of the land”.

2.6. The Husbandman, First Partaker

- *Let it start with you because you cannot give what you don't have.*
- *If you believe that sexual purity (total freedom from sexual sins) is possible, the question is, “**Have you experienced it?**”*
- *To have the experience yourself, follow the outlined principles and pray to God right now with a willing and ready heart until God gives you a pure heart.*
- *Please do not stop praying until you have felt God's hand over your life; if you miss this moment, you may end up becoming a monument, without impact or relevance.*
- *Start praying now!*
